

# HUNGARIAN FOLKTALES

Hungarian mythology includes the myths, legends, folktales, fairy tales and gods of the Hungarians or Magyars. These are steeped in romance, whimsical plots and often have a moral. They give a flavour of the culture and customs of Hungary. Folktales are stories passed on from one person to another by word of mouth. These tales were not written down, but existed only in the memory of mankind. Enjoy these interesting Hungarian folktales retold!
